Letter of Commendation

To whomever it may concern:

Shivam Shankar Singh is a talented young boy full of enthusiasm and creative ideas. He has helped us in few projects with his creative inputs.

A back cover page designed by him for the Mission Convergence brochure deserves special mention. The brochure was released by the Chief Minister of NCT of Delhi in August, 2008 at the time of the launch of the Mission Convergence programme. The programme itself received several international acclaims such as the Commonwealth Association for Public Administration and Management (CAPAM) Award in 2010, and the United Nations Public Service Award in 2011.

The back cover designed by Shivam Shankar displayed tremendous maturity in understanding and portraying the essence of this very unique and innovative initiative of Government of Delhi for poverty alleviation and governance reform. He created a storyline with pictures of a poor woman struggling to get her rightful entitlements. The storyline presented situations before and after the programme intervention that made it possible for her to have access to her entitlements without bottlenecks.

We wish him all the best for his future.

To whom it may concern

This is to certify that Mr. Shivam Singh, S/o Mr. Manoj Singh and Mrs. Rashmi Singh volunteered his services to our Science and Electronics Training Workshop for the underprivileged youth of slums of Sunder Nagari, Delhi from 1st June 2009 to 31st July 2009. Mr. Shivam displayed exceptional sincerity, commitment and talent in facilitating the youth (most of them being older than him) to learn the basics of Science and Electronics in most interesting manner. This workshop was organized in collaboration with the Department of Physics and Social League of St. Stephen's College, Delhi.

During our interaction, we found Mr. Shivam a loving person, budding teacher and a natural science enthusiast. I am sure in future he would not only make a meaningful carrier in the field of science but also contribute to the betterment of society as a caring human being. We wish him all the success in all his endeavors in life.
